

Affordable Equine Health Care

**HAPPY
HORSE
PLAN**

BAKER McVEIGH
International

At Baker McVeigh, our philosophy is geared toward preventative care and medical support. By offering private consultations and “talk time” with your vet, we ensure that you and your equine partner are provided the best possible care throughout your careers together. It takes a horseman to understand.

Core Plan

Pay £12 monthly or £140 annually

Includes the following:

- Annual influenza/tetanus vaccination
- One full health check
- Dental maintenance. Full oral exam once a year with routine dental floating.
(Includes sedation if required)
- Three worm egg counts and a tailor made worm control program.
- Time with your vet to discuss any concerns you may have.
- A general health exam
 - Heart and lung auscultation
 - Ophthalmoscopic exam of eyes
 - Palpation of limbs
 - Check over for skin lesions
- Soundness assessment
 - Trot up and flexion tests in hand
 - Examination at exercise under saddle
